## **Job Search & Placement Assistance:**

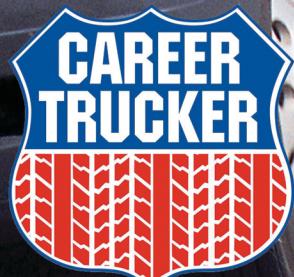

Specialized jobs to match your specialized skills

Local, Regional & OTR Positions

Use our network of career placement agents  
and industry recruiters anytime...for free!

At Career Trucker we work with many  
Professional Trucking Carriers, large & small,  
to find the right fit for you!

Drivers know it's as much a lifestyle as an occupation;  
If you enjoy it, there's no better way to make a living.  
Remember why you wanted to drive in the first place? It's still true: Driving  
offers you the freedom of the open road and a good salary while you're doing  
it. Trucking companies all over the US are trying to fill jobs! Base pay is rising,  
and some are guaranteeing drivers more time at home. Some firms are  
offering generous 401k, health care packages and other perks.  
Call us today to get back on the road to job satisfaction with a choice job.
